19 Sanitaries & Compounders working in the Nilay Deptt were ordered to be brought in the general cadre of the CV Deptt vide Go. of 21-7-29 (C). This order has not been given effect to for some reason. The Dr of Agriculture has now recommended that the Sanitaries & Compounders working in other than the Nilay Deptt may also be brought in the general cadre of the Civic Deptt. So far as Nilay Deptt is concerned, it is a question of giving effect to the order already passed. There appears to be no objection to this. The change since made in the Municipal Deptt, which has been pointed out by the Comptroller in para 14 (1) supra, has to be noted by the CV Deptt in [illegible] dealing with the question.

To,

M. Venkatanaranappa, Esq, B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

Subject.- Inclusion of Salustries and Veterinary Compounders in several other Departments than Civil Veterinary Department under one cadre.

--

I have the honor to invite reference to Government Order No. D.8561-3 C.V. 84-28-3, dated February 1929, and received in this office on 22nd February 1929, sanctioning the inclusion of Salustries and Compounders of the Military Department in the general cadre of the Civil Veterinary Department, and to state that the Government Order was duly communicated to the Superintendent, Civil Veterinary Department, but no action was unfortunately taken to give effect to the Order till now. This question was, however, noticed quite recently when the claims ~~of~~ for pension for his services in the Military Department, of one Sikandar Hussein, Salustry, since transferred to the Civil Veterinary Department, came up for consideration. The Superintendent, Civil Veterinary Department, ~~xxxxxx~~ who was asked to submit a report in the matter, has submitted proposals for including the Salustries and Compounders

-2-

Compounders working in other Departments into the cadre of the Civil Veterinary Department. A copy of his letter No. Est. 499-801 of 33-34 dated 7th August 1934 containing these proposals is herewith enclosed. I approve of the recommendations of the Superintendent and request you to be so good as to obtain early orders of Government sanctioning them.

I have the honor to be,
Sir,
Your most obedient servant,

blm.

Director of Agriculture.

Letter No. Est. 499-801/3-34 dated 7th August 1934 from the Superintendent, Mysore Civil Veterinary Department, Bangalore to the Director of Agriculture in Mysore, Bangalore.

Subject:- Amalgamation with the Cadre of the Salustries and Compounders of the Civil Veterinary Department of the posts of Salustries and Compounders of other Department.

With reference to letter No. Petn. 75 Est. 323/3-4 dated 15th May 1934 requesting among others to submit proposals for giving effect to the Government Order No. D. 8561-63/C.V. 84-28-3 dated 22nd February 1929, regarding the inclusion of Salustries and Compounders of the Military dept. with the cadre of the Civil Veterinary Department, I have the honour to furnish hereunder the scales and number of appointments of Salustries and Compounders in other Departments:-

MILITARY DEPARTMENT.	Designation.	Scale of pay.
Mysore Lancers.	Salustry (1)	Rs. 30/-
-do-	Salustry (1)	25/-
-do-	Compounder (1)	20-1-25
Mysore Horse.	Salustry (1)	25/- P.A. 1/- plus Good conduct Rs. 2/-
Kunigal Stud Farm.	Salustry (1)	Rs. 25/- plus charge allowance Rs.5/-
Live Stock Department.		
	Salustry Compounder.	Rs. 20-1- 25 " 15-1-20
Forest Department.		
	Salustry. Compounder.	Rs. 30/- Rs. 20/-
Serum Institute.		
	Salustries (II)	Rs. 35/-

In this connection, I have to state that Veterinary Inspectors working in the Serum Institute have been brought into the cadre of the Veterinary Inspectors of this Department, and to leave the Salustries, working in the Institute as independent of this Departmental cadre, appears anomalous. I have therefore included the Salustries of the Institute also with the Cadre of the Civil Veterinary Department.

Further, the Veterinary Inspectors at Hebbal and of the Forest Department belong to the Civil Veterinary Department cadre, while their subordinates staff i.e., one Salustry and one Compounder have not got the similar rank in this Department.

I therefore propose that the posts of Salustries and -- Compounders in all the other Departments enunciated above may be brought into one cadre in Civil Veterinary Department and shown as seconded, in addition to the inclusion of Salustries and Compounders of the Military Dept as ordered in Government Order, noted Supra.

****
